"Practical pain management and the safe use of opioid therapy"

by:

Daniel Tobin, MD, FACP
Associate Professor
Yale University School of Medicine

Tuesday, August 20th 2019, 12:30 pm
University Tower, Room 618

Teleconferencing via Zoom-Medicine
Complete online evaluation to apply for CME credit

Objectives: At the conclusion of this session, the participant is expected to be able to:

1. Discuss how national trends and opioid safety legislation impact prescribers
2. Review guideline-driven best practices when prescribing opioids for acute and chronic pain
3. Identify common clinical pitfalls and pearls when prescribing opioids

Intended Audience: Faculty, Practitioners, Residents, Students
Contact Information: Dr. Mari Shiraishi, mas82@hawaii.edu

This CME activity is sponsored by the Hawaii Consortium for Continuing Medical Education, a joint venture between the Hawaii Medical Association and the John A. Burns School of Medicine. The Hawaii Consortium for Continuing Medical Education is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The Hawaii Consortium for Continuing Medical Education designates this live activity for a maximum of 1.0 AMA PRA Category 1 Credits™. Physicians should only claim credit commensurate with the extent of their participation in the activity.
