“Global Initiative for Asthma 2019

What’s New”

by:

Matthew Lau, MD, FACAAI
Assistant Clinical Professor
Department of Medicine, JABSOM

Alexander Nicholson, MD
Internal Medicine PGY3, UHIMRP

Tuesday, February 25th 2020, 12:30 pm
University Tower, Room 618
Teleconferencing via Zoom-Medicine
Complete online evaluation to apply for CME credit

Objectives: At the conclusion of this session, the participant is expected to be able to:

- Identify new strategies to manage persistent asthma
- Recognize new biologic monoclonal therapies to treat severe asthma
- Recognize the correlation between asthma exacerbations and loss of lung function
- Determine how to select effective agents to prevent or treat severe asthma exacerbations

Intended Audience: Faculty, Practitioners, Residents, Students
Contact Information: Dr. Elizabeth Tam, tameliza@hawaii.edu

This CME activity is sponsored by the Hawaii Consortium for Continuing Medical Education, a joint venture between the Hawaii Medical Association and the John A. Burns School of Medicine. The Hawaii Consortium for Continuing Medical Education is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The Hawaii Consortium for Continuing Medical Education designates this live activity for a maximum of 1.0 AMA PRA Category 1 Credits™. Physicians should only claim credit commensurate with the extent of their participation in the activity.
