

EXTRAMURAL ELECTIVES IN MEDICINE

I. Descriptive Information

Title: MED 546-B Extramural Electives in Medicine

Department: MEDICINE

Pre-requisite: Credit in MED 532

This elective must be arranged by the student at an LCME-approved academic institution and approved by UH Department of Medicine and JABSOM Office of Student Affairs. Academic, health and legal policies of both JABSOM and the host institution must be observed.

Duration: 3 to 12 weeks

Elective Director: Florence Kan, M.D.

Elective Coordinator: Julieta Rajlevsky

II. Objectives

1. To enhance the student's Internal Medicine knowledge and skills at an approved extramural academic institution

III. Methods

- a. The student should apply for an elective through VSLO or directly through the individual extramural institution.
- b. The student should carefully follow the instructions on the Out-of-State Elective Form.
- c. After the individual extramural institution has accepted the student and the student decides to take the elective, the student must (1) add the Extramural Elective to their schedule and (2) inform Department of Medicine of the (a) name of the elective and (b) name of the extramural institution.

IV. Evaluation

1. The extramural institution's supervising faculty must complete the Extramural Elective Student Evaluation Form.
2. To obtain credit for this elective, students must complete and return the JABSOM Extramural Elective Evaluation to the Office of Student Affairs.

*Note: All steps are required to obtain credit for the elective.
