Annual Ryder Onopa Day of ʻĀina-Based Service

Connecting with culture and community through mālama ʻāina

WHEN
Tuesday, November 24

TIME
1:00 – 3:30 PM

WHERE
Keawāwa Wetland, Maunalua (East Oʻahu)

ʻŌLELO NOʻEAU

“He aliʻi ka ʻāina, he kauwā ke kanaka.”

The land is a chief; man is its servant.

ABOUT THE PLACE

Hāwea Heiau and Keawāwa Wetland is a wahi pana—a storied and sacred place—within the Maunalua region, where cultural history, traditional practices, and natural systems are deeply interconnected. With an aim to protect cultural resources, revive habitat for native species, and educate the community, we are grateful for this opportunity to join Livable Maunalua Hui in their stewardship of this special place. We gather in honor of Dr. Ryder Onopa, a JABSOM graduate, UHIMRP resident, and amazing human being who cared so deeply for our island home.

ACTIVITIES WILL INCLUDE

- Removing invasive species
- Learning about and caring for native plants
- Spending time with each other outside of the hospital!
